fast-changing chain of olive trees, exchanged small talk, stole glar ornamental oranges, tall cotton-

but her hands faltered in their work with the yellow flowers, as young Cromwell told her a chap named Percy O'Neil knew her and Theodore Vincent.

"Perhaps," she said again.

Leaping from that subject, Tate invited spontaneously, "Come to noon dinner Sunday, I'll have Mom I noon dinner Sunday, I'll have Mom I never did over 65."

"It'll do a hundred and ten," he informed her proudly.

"Oh? Your car?" The girl turned with correct books and magazines, too look at him. His nicely chiseled lips were spread in a smile of sheer childish gloating. For no reason she could name, it somehow mildly offended Ylena. "Yes, so the salesinvited spontaneously, "Come to noon dinner Sunday, I'll have Mom I never did over 65."

noon dinner Sunday. I'll have Mom telephone you."

"Are you sure she'll want me?"

"Of course! Don't you know anything about western hospitality?"

Ylena smiled, recalling Rose's crisp denunciation the night she had left La Madera. "Very little. But I'd like to learn."

"That's fine. I'll pick you up about 11 Sunday." Lazily Tate clambered to his feet. "And now I speeding is childish."

I never did over 65."

Disbelief showed in Tate's voice.

"The tit couldn't have been this kind. My car is a special job, the only one in town."

The girl looked puzzled. Before she could answer, fast footsteps made muted staccato beats across the thick carpet. It was a tiny boy who so closely resembled Tate that ylena spontaneously glanced his wouldn't go over 65," she emphasized. "I said I DIDN'T. I think clambered to his feet. roughly fitted into what had been a blank wall. On the clipped lawn was an umbrella-topped table with chairs grouped around it. Nearby stood a lawn swing patterned after a pioneer-day covered wagon.

Tate praised contemplated the radio and began to sing with changes. "Where did you learn so much?"

Taturdiad in New York and changes asked casually, between with pain and hatred for this ridiculously curious and anticommunity of the radio and began to sing with the singer in a not bad baritone.

Ylena asked casually, between this ridiculously curious and anticommunity of the shook his head in a despairing, slightly taunting way. "I'm afraid you don't know much about children, Miss Varanoff."

Ylena felt her bruised heart quicken with pain and hatred for this ridiculously curious and anticommunity of the shook his head in a despairing, slightly taunting way. "I'm afraid you don't know much about children, Miss Varanoff."

it's pretty bad."

He released her hand to climb into the low seat of his coupe. Beneath his prodding toe the motor sprang to rhythmic life. "There's nothing of the garret about that lawnswing," he said plain-spokenly. "They cost \$100 at Hubbard's."

"Not mine. I told my carpenter how to make it."

"It's unbelievable." Cromwell ceased racing the engine. Both curious and resentful, he stared at this girl, this girl who actually was a cynical woman, who was friendly yet totally noncommital.

To the they to with you?"

"Practically. At the moment they you?"

"Practically. At the moment they you?"

"Practically. At the moment they you?"

"Proactically. At the moment they you?"

"Proactically. At the moment they you?"

"Ponchita came in opportunely and passed chilled Vermouth to everyone except Taylor Cromwell, Sr. With it, she served small hot crackers spread with avacado paste. For a few moments there in their own. My sister is a darling, though, or used to be. And she will be again when she gets over being in love with Percy." He laughed at the aghast expression on Yiena's face. He proclaimed, "A person in love is an awful dope."

In a quiet voice, she returned, "I

a cynical woman, who was friendly yet totally noncommital.

He started to say something else, but Ylena forestalled him with, "Till be ready at 11."

Fighting against the fear that had gripped her at the mere mention of Theodore Vincent's name, the nevertheless managed to read to the service of the friend with insistence to his earlier inquiries. "You WERE in Miami last winter, weren't you, Miss Varanoff?"

"Oh, yes," she admitted easily.

O'Neil cast a triumphant glance to ward his brother-in-law. Of the girl he demanded, "Then you surely remember meeting me? Don't remember meeting me ? Don't remember meeting me the control of the co

40 Public Housing Projects adopt Servel Electrolux . . . the Gas Refrigerator

The same low operating costs, permanent economy and long life should impress you as a householder!

A total of 13,000 Gas refrigerators have been specified or installed for 40 Public Housing projects located in 24 cities in 14 states. Figures show that at present Servel Electrolux is being used in a greater number of individual housing projects than any other make of automatic refrigerator!

Why? Because, obviously, the features that appealed to those in authority, far beyond mere first cost, were the cardinal points of Servel's Gas refrigerator—permanent silence, low operating cost now and years afterwards, long life due to no moving parts to wear.

These same advantages are of utmost importance to you as a householder. You won't be in the market for 13,000, but you will depend on one—and that one should give you lasting economy, long life and permanent silence for your home.

See the Servel Electrolux here or at your Gas appliance dealer's. You'll want one!

Get a Servel!
